The MD formulations range takes commitment.

MD formulations glycolic acid based products must be used at least 2 weeks prior to a peel facial; this allows correct preparation of the skin.

MD Formulation glycolic facials are recommended as a course of treatments.

Finish your MD Facial with a touch of Bare Minerals make up for a complete flawless finish.

Please note this is an optional addition and must be mentioned at time of booking as extra time is required.

## BARE MINERALS

The bareMinerals make up range offers over 30 years experience using 100% natural minerals crushed from the earth and a propriety blend of natural ingredients. Giving you the full flawless coverage with optimum radiance you desire without the chemicals your skin does not need.

We offer free bareMineral foundation colour matching.

**BARE MINERAL MAKE-UNDER** - Perfect for that special occasion.
